

Ningle Chen

Curriculum Vitae

PERSONAL INFORMATION

Name: Ningle Chen
Student ID: 2023213346
Email: ninglechen666@bupt.edu.cn
Phone: 19991219967
Gender: Male
Degree: Masters (MSc)
Year of Study: Year 3
School: International School, BUPT
Supervisor: Prof. Ni Cai

EDUCATION

Year 3 (Current) - Masters (MSc), International School, BUPT
Supervisor: Prof. Ni Cai
Focus: Cryptography, Software Engineering, AI

COURSES & GRADES

Cryptography and Cyber Security (A), Software Engineering (A)
Artificial Intelligence (A-), Machine Learning (B+)
Software Testing (A-)

TECHNICAL SKILLS

Programming: Java, Python, C++
Security: Cryptographic protocols, secure multi-party computation
Research: Formal verification, security analysis
Tools: Git, JUnit, pytest, CI/CD
Soft Skills: Teaching, Programming, Data Analysis, English

EXPERIENCE

Research on Cryptographic Protocols

- Studied secure multi-party computation techniques
- Published paper on secure communication protocols

TA for Software Engineering Course (2 Semesters)

- Led tutorial groups of 30+ students
- Graded projects and provided detailed feedback

Open Source Contributor to Crypto Libraries

- Contributed to open-source cryptographic libraries
- Implemented and tested encryption algorithm modules

PUBLICATIONS

Paper: 'Secure Communication Protocols for Distributed Systems' - 2025

LANGUAGES

English: Fluent (BUPT International School)

Chinese: Native
